## Pass, registration has civilian identification cards

Pass and Registration, in the Consolidated Support Building, now has material to make Air Force civilian employee identification cards.

To obtain an identification card, civil service employees from organizations serviced by civilian personnel must contact civilian personnel at 846-9556, for an application.

The application must be filled out and brought to Pass and Registration to get an identification card.

Rules of engagement

- ★ Monitor your own reliability and notify your unit Personnel Reliability Program monitor of any potentially disqualifying information.
- ★ No self-medication (except listed below).
- ★ Inform your unit Personnel Reliability Program monitor of all medical or dental treatment
- ★ Inform your support agencies of your active Personnel Reliability Program status before getting treatment or consultation including off-base agencies.

- ★ Ensure you follow up the next duty day with your primary care manager. You must bring any documentation and medications prescribed during any downtown visit.
- ★ Remember, it is your responsibility to self-report any visits.

Over-the-counter medication

The following medications or over-the-counter drugs may be used, at the manufacturers’ recommended dosage, by Personnel Reliability Program personnel without need for further medical evaluations, provided member has not had problems with the medications in the past. (Ref: Surgeon General’s letter dated April 17, 1998)

- ★ Skin preparations: antiseptic creams or ointments (Neosporin)
- ★ Topical, antifungal agents (Desenex)
- ★ Hydrocortisone cream (0.5 percent and 1 percent)
- ★ Analgesics: aspirin, acetaminophen (Tylenol), ibuprofen (Motrin)
- ★ Cold and flu remedies: guaifenesin cough syrup (Robitussin), ensure guaifensin is the only ingredient; analgesic lozenges (Cepacol), cough drops (Vicks, Halls)
- ★ Miscellaneous: antacids (Mallox, Tums), hemorrhoidal suppositories (Preparation H), bismuth subsalicylate (Pepto-Bismol), psyllium hydrophilic (Metamucil)

When in doubt, do not take any medications without prior consent from a competent medical authority and your certifying official.
